Maid Clean Services Inc.

Dear Lindsey and the Maid Clean Service staff:

I met Lindsey at a networking meeting in the winter of 2015. At that time, I knew that my office was not the cleanest place. After interviewing her, I decided to contract her company to clean my Milton office. After the first session, I was so impressed by how well she cleaned my office that I knew I had engaged a company whose services were worth the investment. Lindsey and her team even came to my home once to do a major thorough cleaning. Again, very impressive. In my opinion, Lindsey and the Maid Clean Services staff do a superlative job for the reasonable fee they charge. Every time Maid Clean Services came to my office to clean, I knew my office was going to be spic-n-span. Thank you, Lindsey and Maid Clean Services, for your great work and wishing only success as you build your business.

Yours truly,
