To Whom it May Concern:

We have been very impressed with the cleaning services offered by Maid Clean Services and the quality of work completed at our office.

We would not hesitate to recommend their services for any type of commercial cleaning, as Lyndsey worked with us to create a specific and customized work plan for our location and employees.

Also an added feature that we appreciate is Lyndsey's follow up service as she always stays in touch to ensure we are happy with the work performed and any changes that may be required.

After switching from a national brand cleaning service, we are extremely pleased with Maid Clean Services' customized approach to our office needs and a much higher quality of work.

Sincerely,
CUNNINGHAM LINDSEY
