Re: Maid Clean Services

My partner and I have no hesitation in recommending Maid Clean Services to individuals and companies who are looking to hire a first rate cleaning company. We have used Maid Clean Services for approximately two (2) years now. We have found their dedication and hard work to be exactly what we have needed. The proprietor, Lyndsey, has been a pleasure to work with. Her bubbly personality, and obvious enthusiasm in making sure the company's clients are provided with top notch service, is noteworthy. We have found Maid Clean Services to be a very professionally run company which takes great pride (justifiably) in providing consistently superior service week after week and month after month. We know first hand that Maid Clean Services delivers on its promises.

Yours truly,
Gunding & Hans LLP
